Where Can I Get Further Help?

Short Description: A mini-book for women diagnosed with breast cancer dealing with practical issues and providing encouragement

The sense of shock at receiving a diagnosis of breast cancer is very real. Once the shock wears off, your mind seems to explode with questions. Am I going to need chemotherapy and radiation? Am I going to be disfigured by a surgical procedure? Who will take care of my family while I'm ill? Am I going to die? Is God punishing me? This honest account of a personal battle with breast cancer gently helps you to confront your fears, doubts, and worries, and points you toward the solid hope that is in Jesus Christ alone.
