**Short Description:** Living in a world gone wrong, parents of teens often feel the effect of their discontent with life. Here is biblical and practical counsel.

Dave and Judi Coats were stunned when their teenage daughter said to them, "You are not going to tell me what to do!" Struggles with their teens drove them to their knees in prayer and to the Word of God for answers about teenage rebellion. Here they share the truths they discovered, the practical advice that helped, and the hope they found in the power of the gospel and God's grace to change.
